### Ekka Learning Trail: *sponsored by Brisbane City Council*

What do Dinosaurs, the Brisbane City Council, Beef Cattle and IKEA have in common? They are all points on the Ekka Learning Trail!

This year's trail asks participants to consider "sustainability" as they venture through the educational journey around the Showgrounds. Guided by an Activity Book, the Trail offers 19 interactive points that are designed to be informative, educational and fun. [Click here](#) to download the Activity Book.

The Activity book can be picked up at any of the Trail points and is aimed at students in years 3 to 10. Letters found along the way (on the sides of BCC yellow recycling bins) will spell out the hidden word. Students who decipher the word have the opportunity to win \$1000 for their school and \$200 for themselves.

*Dedicated to a better Brisbane*
