Ten Tenors serenade Ekka!

In 2009 the Ekka will pay homage to the Ten Tenors, who are returning home this year to wow Ekka audiences with an exclusive Ekka Sunday Sunset Concert. The Ten Tenors have gone from strength to strength since studying at the Queensland Conservatorium of Music, becoming one of the most successful worldwide touring acts today, performing on average at 250 international critically acclaimed concerts every year.

The Ten Tenors, who have an unparalleled repertoire, have taken their passion for quality music and powerful singing to such venues as London's Royal Albert Hall, the Sydney Opera House, The Shrine Auditorium in Los Angeles, Tchaikovsky Hall Moscow and are delighted to be sharing this latest step in their journey with Ekka audiences in 2009.

Nova Live & Loud, which runs over three big Ekka nights, has developed a reputation for being one of the best outdoor gigs in Brisbane and, best of all, the concert is included in your Ekka entry ticket price of just \$23 (\$17 concession / \$13 up to age 14)!
