NEW IN 2018

XSCREAM Soundwave

EXTREME

New to Australia this year, XSCREAM Soundwave is the closest thing you'll find to a Sideshow Alley nightclub!

With bright flashing lights, lasers and the latest music tunes pumping, riders will experience varying levels of g-force as this spinning sensation rocks them around.

The ride features nine cars that spin freely over four humps on a moving platform - they'll spin, rise, fall and accelerate fast, all while the ride itself rotates.

Each car holds five people, so this ride is perfect for groups.

Dragon Castle

FAMILY FRIENDLY

Australia's newest spooky attraction is sure to scare the socks off even the bravest riders at Ekka.

Newly manufactured in Europe, the Dragon Castle ghost train features seven gruesome carts to transport those who dare through two levels of frights.

Along the creepy journey they'll encounter crazed criminals, mad scientists and plenty of blood and gore!

The 21 metre wide, 10 metre high Dragon Castle comes with the latest in hi-tech animated, visual and audio spooky effects.
