Please Note:

- Nolan Meats will purchase cattle only from vendors PICs who are accredited under the Livestock Production Assurance Program (LPA). By agreeing to sell cattle to Nolan Meats the vendor warrants that it holds such accreditation. Nolan Meats reserves the right, at its discretion, to reject or downgrade cattle supplied by vendors who do not comply.
- Cattle must
 - be individually tagged with an effective NLIS Ear Tag device
 - comply with MLA 'Fit to Load' Guidelines.
- Each individual consignment of cattle must be accompanied by:
 - An accurately completed current LPA National Vendor Declaration
 - Grain Fed Cattle 'GC' must be from an NFAS accredited feedlot and have accurately completed, approved documentation for that program.
 - If MSA eligible, must also have accurately completed MSA documentation
- Cattle not approved under the NFAS program as Grain Fed Young Beef "GFYB" (i.e. <5 mm P8, > 2 Teeth, >3MC, >3FC) automatically default to range (R) fed prices.
- Downgrades may occur for bruising, fat colour and distribution, meat colour, dog bites or similar blemishes
- All cattle are purchased on an "Owner's Risk" basis. Owner's Risk meaning that the purchase by Nolan Meats is conditional upon the carcass being passed fit for human consumption (i.e. not being condemned at slaughter/boning, or being rejected for export by Australian Government Authorised Officers for disease or contaminants such as pesticides and buckshot).
- Proceeds paid 14 days from slaughter.

Grade Explanation:

- GP** - GFYB, MSA eligible cattle that are HGP Free and Lifetime Traceable
- GM** - GFYB, MSA eligible cattle that are HGP Treated and Lifetime Traceable
- GC** - GFYB eligible cattle and/or outside company MSA requirements
- RP** - MSA eligible range/grass finished cattle showing no secondary sexual characteristics, HGP Free and Lifetime Traceable
- RM** - MSA eligible range/grass finished cattle showing no secondary sexual characteristics, HGP Treated and Lifetime Traceable
- RC** - Range/grass finished cattle
- RB** - Bulls, entire or male cattle showing secondary sexual characteristics
- EC** - Economy Beef - are either 8 Tooth Male ≤4 Meat/Fat Colour, or 8 Tooth Female ≤5 Meat/Fat Colour
- MA** - Manufacturing Beef - are either 8 Tooth Male >4 Meat/Fat Colour, or 8 Tooth Female >5 Meat/Fat Colour

Premiums apply to traits valued by our company e.g. Muscularity, HGP Freedom, Traceability and MSA eligibility.

The most suitable cattle can achieve as much as 40c/kg above the quoted grid price.
