Welcome from the President

As we celebrate 150 years of the Royal Queensland Show (Ekka) presented by the Bank of Queensland (BOQ) in 2026, we invite you to join us in marking this historic milestone by showcasing your very best in our competitions.

Competitions have always been at the heart of the Ekka, recognising the skill, creativity and dedication of our exhibitors.

At the first Show in 1876, 1,700 entries were received, with competitors vying for trophies, cash prizes and medals.

In 2025, we received more than 21,000 entries across 46 competitions, with a prize pool of more than \$687,000 awarded, alongside over 32,000 ribbons, rosettes and sashes.

Some competition sections saw a 20–30 per cent increase in participation, including in beef cattle and Arts & Cookery.

We were also thrilled to welcome our largest crowd in almost two decades, with more than 428,000 people attending the Show.

It was wonderful to see the state come together in support of our agricultural sector and farming communities.

The 2026 Show will run for nine days from Saturday 8 to Sunday 16 August, spanning two full weekends.

Since its inception, the Ekka has celebrated and championed Queensland agriculture and the vital role it plays in our everyday lives.

Best of luck with your competition entries and we look forward to celebrating this very special 150th Royal Queensland Show with you.

David Thomas

SCHOOL SCARECROW COMPETITION

This year's School Scarecrow competition invites students to explore the imaginative world of **Scarecrow Outlaws and Garden Guardians**. Drawing inspiration from the whimsical and mysterious characters that might roam gardens or protect them, students are encouraged to create scarecrows that embody either mischievous outlaws or noble guardians of the garden realm. Whether it's a rogue scarecrow with a wild backstory or a heroic figure defending the veggie patch, this theme invites creativity, storytelling, and a touch of fantasy.

Using a "Scarecrow Outlaws and Garden Guardians" theme for the school scarecrow competition aligns with several aspects of the Queensland Primary School Curriculum, particularly in areas related to The Arts, English, Humanities and Social Sciences (HASS), and Design and Technologies. It encourages students to explore character development, visual storytelling, and sustainability through hands-on creation.

Further information on curriculum codes and outcomes can be found in the 2026 School Scarecrow Education Resources booklet on the Ekka website.

The maximum size of the entry can be no larger than a person. The scarecrow must be self-supporting with the use of a vertical pole that can be staked into a hay bale or picket fences. Student entries should use recycled and reused items where possible, to produce a more sustainable scarecrow. Scarecrow entries cannot be hung or mounted to any buildings or fixtures. Students are to include a laminated A5 tag that identifies the regenerative products utilised in the creation of the scarecrow.

New Rural Schools Class

To mark this milestone year, we're introducing a **second competition class** specifically for **rural schools located 120km or more from the Brisbane CBD**. Entries for this class can be submitted **digitally**, either as a **short film** or a **maximum of five photos** that showcase the scarecrow and document its building process. This allows remote schools to participate and share their creativity without needing to transport physical entries.

How to make a Scarecrow Guide

Step 1: Gather materials

- Old clothes (shirt, pants, hat)
- Two wooden sticks (one longer for the body, one shorter for the arms)
- Straw, hay, or crumpled newspaper for stuffing
- String or zip ties
- Scissors
- A sack or pillowcase for the head
- Markers or paint for the face

Step 2: Build the frame

- Cross the shorter stick horizontally over the longer stick to form a "t" shape.
- Secure them together with string or zip ties.

Step 3: Dress the scarecrow

- Put the shirt over the "t" frame (the horizontal stick will be the arms).
- Put the pants on the vertical stick (the longer stick forms the legs).
- Stuff the shirt and pants with straw, hay, or crumpled newspaper to give them shape.

Step 4: Make the head

- Fill the stocking, sack or pillowcase with stuffing and tie it securely at the bottom.
- Draw or paint a face on the head.
- Attach the head to the top of the vertical stick.

Step 5: Add finishing touches

- Put a hat on the scarecrow's head or accessorize it with gloves, a scarf, or other decorations.

- Place the scarecrow in the hay bale by securing the bottom of the vertical stake in the bale of hay.
